D. QUALIFICATION PATHWAY

D.1. QUOTA PLACES

The qualification events are listed in hierarchical order of qualification.

Men/Women

Number of Quota Places	Qualification Events		
27 Men 27 Women	UCI Mountain Bike Olympic Qualification ranking		
	UCI Olympic qualification ranking	Athletes qualified per NOC	Total number of athletes
	NOCs ranked 1 to 8	2	16
	NOCs ranked 9 to 19	1	11
			Subtotal: 27
<p>The UCI Mountain Bike Olympic Qualification ranking is based on the addition of points acquired in events which are taken into consideration in the UCI ranking by nation for Cross-country during the Qualification Period, by cumulating the points over two (2) distinct periods: from 7 May 2022 to 28 May 2023 and from 29 May 2023 to 26 May 2024. The events included in the UCI Mountain Bike Olympic Qualification ranking can be found here.</p>			

	<p>The UCI Mountain Bike Olympic Qualification Ranking is calculated by summing the points of the three (3) highest placed athletes from each NOC in a ranking which includes all events which are taken into account in the UCI Cross-country Individual ranking, over each of the aforementioned periods.</p> <p>A maximum of two (2) Continental Championships are included in the UCI Mountain Bike Olympic Qualification ranking. If more than two (2) Continental Championships take place during the qualification period, the two (2) latest are included.</p> <p>Tied NOCs have their relative positions determined by their highest placed athlete on the ranking which includes all events which are taken into account in the UCI Cross-country Individual ranking, over the qualification period.</p> <p>Minimum Allocation per Continent (Europe and Oceania)</p> <p>For Europe and Oceania, in case the continent does not have at least one (1) NOC represented, the last available quota place(s) through the UCI Mountain Bike Olympic Qualification ranking will be allocated, with a maximum of one (1) quota place per NOC, to the highest ranked NOC of that continent. Any such allocation will result in a corresponding reduction (max. 1 per NOC) of places in the reverse order of the UCI Mountain Bike Olympic Qualification ranking and provided that such reduction would not result in the continent of the NOC concerned losing its only quota.</p>																				
3	<p>2023 Continental Championships (except for Europe and Oceania)</p> <p>NOCs which do not qualify quota places through the UCI Mountain Bike Olympic Qualification ranking can qualify maximum one (1) quota place through the results from the 2023 elite individual Cross-country Continental Championships.</p> <table border="1" data-bbox="432 1285 1503 1503"> <thead> <tr> <th>Continent</th> <th>Elite individual results</th> <th>Athletes qualified per NOC</th> <th>Total number of athletes</th> </tr> </thead> <tbody> <tr> <td>Africa</td> <td>Highest ranked NOC</td> <td>1</td> <td>1</td> </tr> <tr> <td>America</td> <td>Highest ranked NOC</td> <td>1</td> <td>1</td> </tr> <tr> <td>Asia</td> <td>Highest ranked NOC</td> <td>1</td> <td>1</td> </tr> <tr> <td colspan="3"></td> <td>Subtotal: 3</td> </tr> </tbody> </table> <p>In case no NOC is eligible for the quota place allocation based on the results of the 2023 Continental Championships, the quota place is allocated to the highest ranked NOC from the same continent on the UCI Mountain Bike Olympic Qualification ranking, which has not yet qualified through the UCI Mountain Bike Olympic Qualification ranking.</p>	Continent	Elite individual results	Athletes qualified per NOC	Total number of athletes	Africa	Highest ranked NOC	1	1	America	Highest ranked NOC	1	1	Asia	Highest ranked NOC	1	1				Subtotal: 3
